

DECLARATION OF INVENTORSHIP and LIMITED POWER OF ATTORNEY

I am the original, first and sole inventor (if only one name is listed below) or a joint inventor (if plural inventors are named below) of the invention entitled, "Method and Devices for Determining Analytes in Various Matrices," which is described and claimed in parent application 09/058,238 filed April 9, 1998 and the continuation thereof filed herewith, for which a patent is sought. My residence, post office address and citizenship are as stated below next to my name.

I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to herein. I acknowledge my duty under Title 37, Code of Federal Regulations § 1.56(a) to disclose information which is material to the patentability of the invention I am claiming.

I hereby claim the benefit under Title 35, United States Code, § 120 of any United States application(s) listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of Title 35, United States Code § 112, I acknowledge the duty to disclose material information as defined in Title 37, Code of Federal Regulations, § 1.56(a) which occurred between the filing date of the prior application and the national or PCT international filing date of this application.

I hereby claim the benefit under Title 35, United States Code, § 119 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any related foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed.
